Brief Description of Arguments to be Presented:

Present invention intentionally varies laser power or exposure time as a function of distance.

Sarraf does not want to vary laser power, although power does fluctuate due to feedback noise.

An interview was conducted on the above-identified application on _____.

NOTE:

This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
